

## **Kerfuffle Benefits The Chicago High School for the Arts**

Michigan Avenue

*April 19, 2013*

Kerfuffle, the annual event benefiting The Chicago High School for the Arts, raised nearly \$300,000 last week. Scholar Artists from the school performed for 300 guests at the Museum of Contemporary Art, where sculpture, paintings, and photography exhibits by visual arts students were on display. Established just four years ago, the school will graduate its first senior class this June.
